## What Is Frontier Airlines Flight Status?

Frontier Flight Status provides a real-time report on the operational state of your flight. Call ☎+1-877-622-0707 to verify the current condition. Common status indicators include:

- **Scheduled:** Flight planned according to timetable.
- **On Time:** Active and expected within 15 minutes of schedule.
- **Delayed:** Departed late or encountering issues.
- **In Air:** Plane en route.
- **Diverted:** Landed at a different airport.
- **Cancelled:** Flight will not operate. Call ☎+1-877-622-0707 to understand if a "Delayed" status might turn into "Cancelled."

**Why it matters:** Calling ☎+1-877-622-0707 saves time, protects connections, and provides gate change info.

---

## Live vs. Scheduled Status

- **Scheduled:** Static plan; does not account for day-of variables until updated.
- **Live:** Dynamic reality; uses GPS, ATC info, and weather.

The "gap" between Scheduled and Live can be significant. Call ☎+1-877-622-0707 to verify the true ETA.
